

THE

Regency

The Regency's classic ranch style offers a timeless look of refinement and charm. With a traditional entrance and peaked rooflines, each home presents its own uniqueness with features of circle-top or bay windows and choice of siding, shakes or brick.

THE

Regency

A remarkably private retreat, the master suite includes a soaking tub with a sunny window, a separate shower and huge walk-in closet.

The inviting U-shaped kitchen with center island serves as the home's focal point and allows for efficient workflow, while well-placed windows illuminate the adjoining dining and great rooms.

The oversized two-car garage includes bonus flexible space which can be used for seasonal storage, or as a workshop.
